Teachers should make themselves aware of the hazards associated with traffic, crossing roads and alighting from or boarding transport in the HOTA carpark and bus zones. Please be mindful of exposure to weather conditions if spending time outdoors at the HOTA precinct, ensuring sun safe measures and active supervision of students at all times.

It is the responsibility of those bringing the group to be aware of any medical or behaviour issues of those in their care, and maintenance of safe and appropriate behaviour for their group during their visit to HOTA Gallery.

Your safety is important to us. We will have enhanced health and hygiene measures in place, following strict QLD Government guidelines and based on expert public health advice. Please ensure care is taken when moving around the galleries. Do not touch artworks. Keep movement to a walking pace. Please leave all food and drink in the cloakroom, and if sketching please only use pencil. Photography is allowed, without the use of flash, tripods and selfie sticks, except for some special exhibitions as signed.
