Welcome to HOTA, Home of the Arts

In tropical parklands with the Surfers Paradise skyline as the backdrop, HOTA, Home of the Arts is a contemporary cultural precinct where art meets life. HOTA is the Gold Coast's home of live performances, lakeside strolls, stargazing, art, conversation and new ideas.

Offering several performance and event spaces
HOTA, Home of the Arts is the perfect venue for your next theatre production, live music performance, graduation or VIP event experience.

Lakeside

An airy, versatile space with great views of our lake, the HOTA Green Bridge and Surfers Paradise. With a huge open floor area, bookended by an 8m wide proscenium arch stage at one end and an outdoor terrace at the other, we love nothing more than throwing the doors open and spilling out onto the outdoor area.

Live music, corporate gala dinners, spectacular cabaret, trade shows, conferences and elegant cocktail events – they’ve all taken place in this space.

With a large indoor foyer, three bars, a removable wall, two dressing rooms and the state of the art lighting, sound and visual technology you’d expect from us, no matter what you want to create, we can make it happen in this room.

And to add a special twist to the experience your guests can arrive by private coach or by boat, in true Gold Coast style.
